

Annual Marketing Plan: Platinum & Diamond Agents

Please plan your marketing with your Advisor. Check all items you would like to include in your marketing plan.

- Monthly marketing items will be sent to agent's complete SOI database.
- Evidence of Success (EOS) is sent once per month if applicable. It consists of all the properties currently listed and/or sold in the previous month.
- December Holiday Card can take the place of a marketing postcard for December marketing if agent chooses.
- When an agent has an event the event marketing can replace the current months marketing
- Anything outside of the marketing plan requested by the agent to the agent's Marketing Coordinator is considered an exception request. Exception requests must be approved by the agent's Advisor and Fusion's Operations Manager. Please allow up to 3 business days for the request to be considered.
